Ladies and Gentlemen:

Let me start off by saying how lucky I am to get to hunt and travel and see so many amazing sites! Also, I want to thank my loving and supporting wife and friends who share my passion of hunting and being in the great outdoors.

When I started some 25 years ago my goal was to take a grand slam in the spring...not only have I done that, but I have exceeded my expectations and have taken 31 grand slams! My goal now is not only to take a grand slam each spring, but to take two grand slams every spring and surpass some of our great leaders in the number of grand slams. My goal is to be the number one grand slam turkey hunter of all time!

I started thinking about what makes me want to go and continue taking grand slams. I think it is the sound of the gobble in the morning or the afternoon that makes me wonder how different this bird will be...so that's what gives me my drive...the next challenge of the grand slam every spring!

After learning yesterday that I am in the top five in the world in grand slams...I think **WOW**, this is quite an achievement for a good 'ol southern boy! I am very proud to be in the top 5, but will continue taking grand slams and chasing the dream (my dream) of becoming the leader!!

Sincerely,
